TO WHOMSOEVER IT MAY CONCERN

UNDERTAKING / DECLARATION

This is to declare that all necessary facilities for the convenience, accessibility, and welfare of patients are available in the Nandivarman Medical College and Hospital. The institution is equipped with essential patient-access facilities, including ramps, lifts/elevators, accessible pathways, waiting areas, and other required amenities.

The institution is committed to providing a safe, accessible, and patient-friendly environment and shall ensure that these facilities are maintained and made available for the benefit of all patients, including elderly persons and persons with disabilities.

This declaration is issued for submission to the concerned authority as and when required.

CHAIRMAN
